

Is Your Strategy Passing the Stress Test? Virtual Session with Wipfli LLP

This Event is for CEOs, Business Owners and Senior Level Executives

KEYNOTE SPEAKER

Tina Nazier
Director
Strategic Advisory Services
Wipfli LLP

The current business situation is unpredictable, unclear, and creating extreme stress on organizations and their strategies for growth. Plans that made perfect sense just months ago, are likely irrelevant today.

Business leaders who can shift focus on the here and now, determine and implement the quick changes necessary to remain viable, and get those changes executed will benefit the most.

Are you laser focused on the right things for all stakeholders? Is your team – from top to bottom - clear, focused, and acting with urgency?

If not, this interactive workshop will help you take a closer look at your strategy to identify the critical few priorities – and get them into action – so you can get back on the growth track quickly.

Following this session participants will be able to:

- Identify how your strategy should evolve to new demands
- Identify the team and resources needed to address critical priorities
- Incorporate a deliberate change management approach to increase your success
- Develop an implementation structure to increase odds of achieving your desired results
