

Senior Executive Peer Groups

Matching you with the people who can help you grow as a business leader.

Why Join a Senior Executive Peer Group?

Being a leadership team member can feel isolating without support for critical decisions.

Collaborating with peers offers valuable assistance, access to resources, boosts confidence and resilience, and fosters learning from diverse perspectives. Tap into a trusted local community to avoid costly mistakes, reduce risks, and increasing performance.

Your Path to Growth Starts Here

- ✓ Work Through Problems & Strategize with Peers at Monthly Meetings.
- ✓ Attend Exclusive Educational Workshops Tailored for Business Owners, CEOs, Presidents and Partners.
- ✓ Receive Quarterly One-on-One Coaching Sessions.
- ✓ Benefit from World-Class Networking Opportunities.

Who Is This Group For?

For senior level executives and members of their company's leadership teams who focus on general or functional management activities.

Being part of a leadership team member peer group fosters personal and professional growth, enhances leadership skills, and provides invaluable support in navigating the complexities of leadership roles.
