Resiliency, Personal Alignment and Purpose: Showing up and making it work for you and your organization.

As leaders we must shift our mindset from 'Surviving' to 'Thriving' in this Brave New World. Join us as we engage with 4 of the world's most sought after thought leaders, to stretch our thinking and plan for what lies ahead.

Great leaders create the time to continually build and enhance their capabilities and connections. On November 18th and 19th you'll have the opportunity to connect, think, and grow with some of the world's best. Take it!
