The Importance of Agility

KEYNOTE / VIRTUAL

PATRICK LENCIONI - Founder/President - The Table Group

Come hear Patrick Lencioni talk about how healthy teams are the best competitive advantage in a changing environment. In Pat's typical energetic and practical style, he will show how teams can get more done in less time using his newest model: **The Six Types of Working Genius**.

LIVE SPEAKER:

ALEX CHAUSOVSKY - Director of Analytics & Consulting - Miller Resource Group

Don't miss Alex Chausovsky sharing how to build an effective talent strategy. Alex is a highly experienced market researcher and analyst with more than twenty years of expertise across subjects including economics, industrial manufacturing, automation, and advanced technology trends. For the last two decades, he has consulted and advised companies throughout the US and Canada, Europe, South America, and Asia.

LIVE SPEAKER:

DR. ANNE HARBISON - Founder/CEO - JourneyLEAD Consulting

Dr. Anne Harbison provides insight on what new moves you can make to build connection, stability, and perspective, why what you've done before will actually steer you off course and the four things that people need most from their leaders in times of change. Take action on creating clarity (rather than certainty), telling your story with compassion and courage, and using the three words that change everything.

LIVE SPEAKER:

RENE RODRIGUEZ - CEO - AMPLIFII

How can you become a more powerful communicator and leader? In this highly interactive presentation, René Rodriguez will break down the neuroscience of influence and leadership, guiding you step by step through methodologies that mobilize people to take action whether you are at the front of the room, in meetings, or one on one. Best selling author, entrepreneur and highly sought after keynote speaker, René bridges the gap between neuroscience and business to maximize value and relevance.
