

Business Owner, CEO & President Peer Groups

Matching you and the sophistication of your business with a group of people who can help you in that moment of time.

Why Join a Business Owner, President & CEO Group?

Being an owner or top executive in a company can be isolating, lacking support for critical decisions. Collaborating with peers who share similar experiences can provide valuable assistance and reassurance.

Avoid costly mistakes by tapping into the collective expertise of a trusted local community, reducing risks, and increasing awareness.

Your Path to Growth Starts Here

- ✓ Work Through Problems & Strategize with Peers at Monthly Meetings.
- ✓ Attend Exclusive Educational Workshops Tailored for Business Owners, CEOs, Presidents and Partners.
- ✓ Receive Quarterly One-on-One Coaching Sessions.
- ✓ Benefit from World-Class Networking Opportunities.

Who Is This Group For?

For #1's and #2's (typically Owners, CEOs, Presidents, Partners) of companies with 20 or more employees, who are directly responsible for the strategic decision-making and operations of the business – and who want to learn and grow as individuals.

The focus of the peer group is on being a more effective leader, making more informed decisions creating a healthy culture, balancing profit with growth, and ultimately increasing your company's value.
